The screenshot shows the DEXIS IS Connect software interface. On the left, a sidebar lists various cases with their IDs, dates, and transfer status. The main area displays a 3D dental model of a lower arch. To the right, a detailed view of case MCQ-7128 is shown, including patient information (Dr. kate arper), case details (CASE INFORMATION), and a prescription diagram showing tooth numbers 12 through 26. Red annotations highlight several elements: a red circle around the gear icon in the top right corner; a red arrow pointing from the top right towards the gear icon; and a red circle highlighting the mouse cursor icon over the prescription diagram.

- 設定アイコンをクリックします。

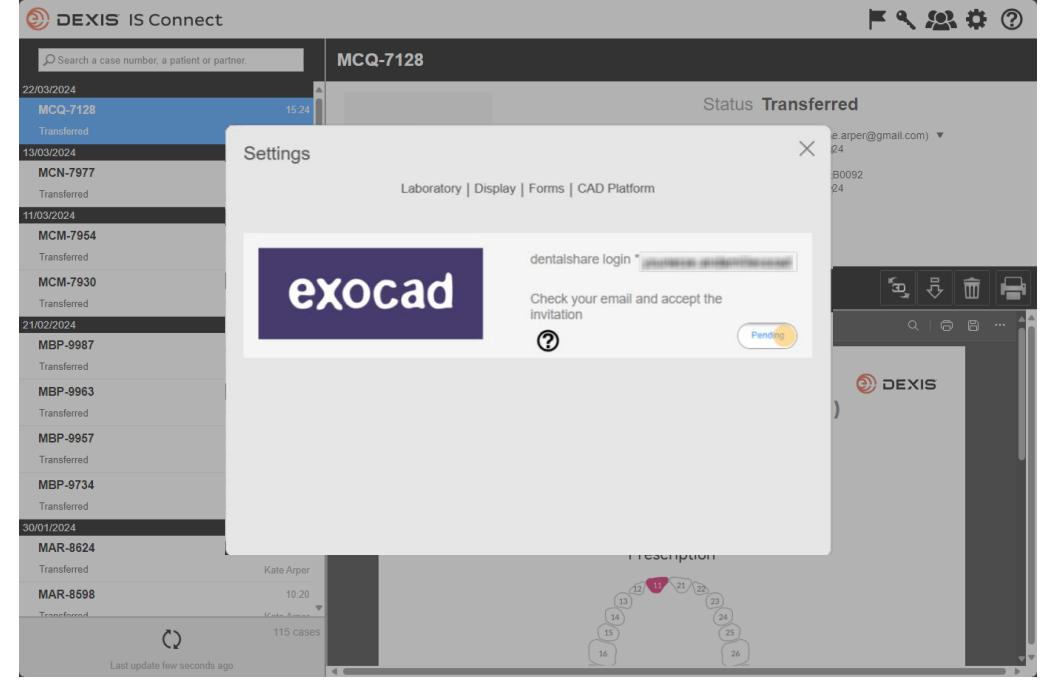

- CADプラットフォームタブをクリックします。

- Dentalshare IDを入力します。
